Subject: Chemist Notes etc. - 10,000 bags of heroin

Hi Jim,

I have a case pending here in Hampden Superior court with three co-defendants and numerous analyses – 500 bags of heroin at a time with a total around 10,000 bags. The co-defendants are [REDACTED] We indicted two suppliers of this heroin based upon wiretap info [REDACTED] Counsel has asked for the **chemist's notes and data** compiled during the analyses. Counsel claims this documentation will keep them from filing a motion for an independent examination of the drugs.

The numbers of the relevant analyses are [REDACTED] inclusive.

Is this something you can have copied and get out to me?

Thanks,

Matt
